India among top nations with potential for digital payments:

India has emerged strong, exhibiting a high potential in terms of digital payments and has been categorized under the "break out" segment among 60 countries, according to the Digital Evolution Index 2017. The Fletcher School at Tufts University in partnership with MasterCard, unveiled the Digital Evolution Index 2017. The Index is a comprehensive research that tracks the progress countries have made in developing their digital economies and integrating connectivity into the lives of billions

India launches flagship program to boost biopharma production

India's biopharmaceuticals industry has received a booster dose from the government, with the Ministry of Science and Technology having finally launched its \$250-million program to promote the production of biological drugs here. The program, first approved by the union cabinet in May, will focus on development of new vaccines, bio-therapeutics, diagnostics and medical devices to cater to India's rising disease burden. The government aims to use i3 to create a globally competitive biopharmaceutical industry that improves access to affordable healthcare, according to the ministry's Department of Biotechnology (DBT). **For full [article](#)**

Tata Motors readies to enter compact SUV segment with Nexon

Tata Motors is betting big on its upcoming model compact SUV Nexon as it prepares to enter the fastest growing segment in the Indian passenger vehicles market by September, say senior company officials. Nexon will be the last vehicle on the platform on which the company has developed earlier models such as hatchback Bolt and compact sedan Zest. The model is slated to be launched in September, around the festive season

Triumph launches 2017 Tiger Explorer XCx in India at Rs 18.75 lakh

Triumph Motorcycle India on Tuesday launched the 2017 Triumph Tiger Explorer XCx in India. The adventure bike will be sold as completely built units (CBUs) in the country with a price tag of Rs 18.75 lakh (ex-showroom). The XCx is the top-end, off-road oriented model in the Triumph Tiger range of adventure motorcycles and comes with durable wire spoke wheels and hi-end electronics.

Aesthetically, it carries the same silhouette of the outgoing model. However, there are lots of minor changes in the design, providing it with a sharper and more rugged appearance than its predecessor. **For full [article](#)**

Duty Free Tariff Preference Scheme (DFTP) of Government of India

India announced the DFTP Scheme for Least Developed Countries (LDCs) in the year 2008. In order to expand trade with Africa, India amended its Duty Free Tariff Preference (DFTP) scheme to cover around 96 per cent of the tariff lines in April 2014. Only 1.8% tariff lines are under the exclusion list. Duty Free and Positive Lists cover about 98.2% of global

exports of LDCs. Tanzania was the first LDC in Africa to convey its intention to join DFTP in June 2008. All formalities for the Scheme were completed and notified in 2009. Details of the DFTP Scheme are available on the following links:
